Part 3, Journals and Periodicals

IPPS News

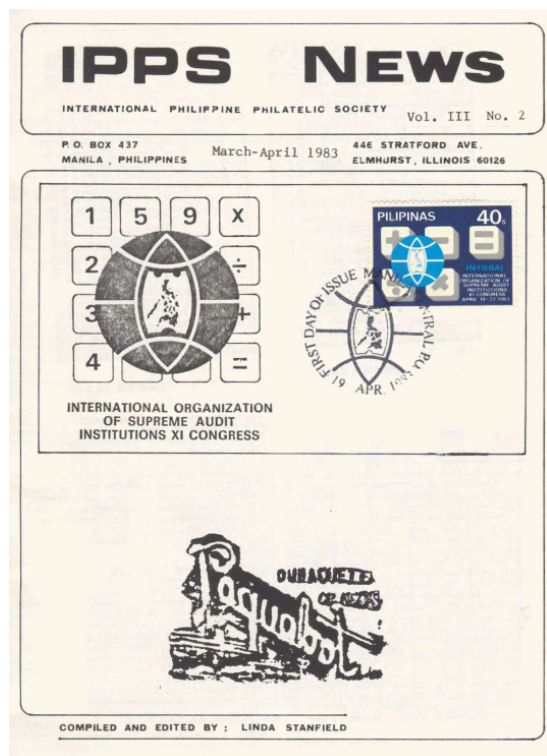

The **IPPS News** was a newsletter from the International Philippine Philatelic Society it contained short articles as well as news. The first edition was published in October 1981. In general, it was published quarterly although there was a break in publication after volume 3 no 3 in 1983 until January 1986 when the **IPPS News** resumed with volume 6 no 1, (with only three editions that year).

The front page of the first seven issues was each adorned with a real Philippine postage stamp tied to the page with a genuine first day cancel.

In 1991 the **IPPS News** was renamed the **IPPS Newsletter**.

Linda Stanfield was the editor between 1983 and 1985. Linda Stanfield and Eugene Garrett were joint editors during 1986 with Eugene Garrett taking over as sole editor in 1987. Robert Yacano was editor between 1988 and 1994.

The cover of 1983 volume 3 no 1 omitted identifying information and the inside pages are labelled "No. 1 - 1983". 1987 volume 7 no 1 was mislabelled volume 8 (VIII).
